

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. To allow this program to air is unlawful and inappropriate.

I urge you to take action by carefully reviewing the bias of this program. With such an important election on the line, please do not give Sinclair this blatant misuse of power. Stand up for democracy.

Thank you.
